Identity Theft Business Solutions, Inc:

It is with great pleasure that I recommend Mr. Mark Brown and the entire IDentity Theft Business Solutions (IDTBS) team of identity theft prevention experts.

Mr. Brown and his team have completed the Identity Theft Prevention Training for many of our probation unit offices and detention facilities across Florida. The IDTBS team of experts have a broad knowledge of the issues related to identity theft and display a high degree of professionalism when doing their job.

IDTBS will continue to service our agency. Our staff has consistently given positive feedback on the Identity Theft Prevention Training, with an emphasis on its informative nature that many feel focuses on protecting them personally as well as in the workplace.

Mr. Brown and his team maintained a great attitude, was a pleasure to work with from start to finish and are great representatives of their company.

Again, it is with great pleasure that I recommend the IDentity Theft Business Solutions team of Certified Identity Theft Risk Managers as leaders in their industry.

Sincerely,
