To whom it may concern:

I would like to recommend the services of Mark Brown and IDentity Theft Business Solutions, Inc. Since 2006, Mr. Brown has remained our exclusive provider for all of our internal and external identify theft compliance requirements.

As a PEO, it is extremely important for our organization to collaborate with vendors and service providers who can meet the vast, nationwide, needs of our 3,000+ worksite employees and over 220 client companies. Mr. Brown and his organization has not only met but has exceeded our expectations, in this capacity.

In short, we look forward to continuing this turnkey relationship with IDentity Theft Business Solutions, Inc. and highly recommend their risk management services to any organization that seeks to comply with the recently passed Identity Theft Privacy Laws.

Please feel free to contact me directly should you have any questions.

Yours truly,

Patricia Webb, SPHR
